SMS Consent & Proof of Opt-In

Express Consent: By providing your mobile number during onboarding or registration with Access Integris, you agree to receive SMS messages related to your role or relationship with us. Standard message and data rates may apply. You may opt out at any time by replying STOP.

Consent Language:

- Mobile Number: _____
- By providing your mobile number, you agree to receive SMS messages from Access Integris regarding shift reminders, scheduling updates, and important agency announcements. Standard message and data rates may apply. You may opt out at any time by replying STOP.

Proof of Consent Documentation: You must provide proof of consent to receive messaging collected from the consumer, which can be a link to a website where the consumer gives consent, a hosted image file that demonstrates a screenshot, or a link to a document that tells the story of the opt-in. Multiple URLs are allowed. Any URL submitted must be reachable, resolvable, and publicly accessible.

Recordkeeping: Consent is obtained in writing through signed forms or digital applications. Records of consent are maintained internally and can be provided if required by carriers or regulators.

First Name: _____
